About Me

Hello! My name is Monica and I am a 3rd year Aero A!!

You may have seen me around as CMAS VPX, a Microships head, or as one of this year's EngFrosh Group Cos.

I love rock climbing, being outside, Redbull, and hanging out with my friends.

I also love to chat! Feel free to reach out to me on my discord: monicapaul

Platform

Engagement

- Implement an intro to ESSCO and the CFES talk during FED Fair
- ESSCO and CFES 101 about conferences and their other services in early fall
- Class announcements about Boobies, Movember, Hockey Team, and Conferences to expand the reach of our community and get more involved

Community

- Collaborate with other schools in ESSCO and the CFES to create partnerships and share resources
- Year in review: have a showcase for all of the givebacks completed in an open area for students to learn!

Opportunity

- Rework the delegation selection process to be more quantitative (weighted trade studies!!)
- Increase size of delegation committee to provide interviews to all applicants
- Examine feasibility of a "non-Ceng" member on the delegation selection squad
