

I'm a third year Aero A student! I am the current formal events committee incharge of whirlwind and reflections! In addition this year I am VP Finance of CMAS and last year it was one of two events directors at CMAS planning our large events like Paper Airplanes, Industry Night and our special 20 year anniversary event Top Karting. I have had many experiences with budgeting, planning, and executing events!

(platform to be written later please reach out to me <3)
