(pronounced 'no-bull')

PLATFORM

I am a natural born leader who has plenty of CSES experience and feel as though I am finally ready to take the reins. I am hoping to keep CSES a well oiled machine by **uplifting my execs and representatives**, being a **reliable liaison between C-Eng and the faculty**, and **implementing AVPs** to alleviate unnecessary stressors on the team.

EXPERIENCE

- **CSES** VP Internal (24/25), CSES VP Publications (23/24)
- **C-Eng Musical** Co-Director (24/25), Vocal Director (22-24)
- **Leo's Lounge** Social Media Manager (23-25), Volunteer (22/23)
- **SREESoc** VP Services (23/24)
- **Engfrosh** Sponsorship (24/25), Backstage (23/24), Procurement/Head (22/23) and Spirit (21/22).

ABOUT ME

I'm a SREE A IV student who loves all things music (I play 7 instruments!), being social with friends and being outdoors. I'm a very outgoing person who's passionate about many social issues, such as climate change and intersectional feminism. On the down low, I'm also a big D&D nerd!!
