

Emily Knobel

(I go by my last name!)

(pronounced 'no-bull')

Program: SREE A II

Hometown: Kemptville, ON, Canada

Running For: VP Publications 23-24

PLATFORM

Truth be told, I've always been a writer, and the Iron Times has always captured my attention since my first year, and from what I've seen, the work that VP Pubs takes on is something I'd be incredibly interested in doing as well!!

In terms of the Iron Times, I intend to try and reduce our carbon footprint by as much as possible, as well as continuing to try and bring back a physical Passport! I also want to focus on outreach to make sure everyone in C-Eng knows what's happening and when.

EXPERIENCE

I've been a writer and a creative my whole life, but I've also been incredibly involved in the C-Eng community. For example, I've managed people, dates, events and advertising with being the C-Eng Musical Vocal Director, Flightsuits Committee and Engfrosh Spirt. I've also been a year rep for both years I've been at Carleton for SREESoc.

ABOUT ME

I'm a SREE A II student who loves all things music (I play 7 instruments!), being social with friends and being outdoors. I'm a very outgoing person who's passionate about many social issues, such as climate change and intersectional feminism. On the down low, I'm also a big D&D nerd!!
