\*As stated in Section 6 of the CSES Constitution, Article 3.4 "In the event of a tie between two or more candidates for an office, the elected candidate shall be determined by a runoff election between the tied candidates, officiated by the Chief Electoral officer and taking place within seven (7) days after the election." The VPI, CEO and the Electoral Committee will soon release a date, location and time for a runoff election to break this tie. The CEO acknowledges that this election may need to be pushed back for a currently unknown amount of time as a result of the CUPE 2424 labour disruption and to lack of access to room booking services.
