

Vote Michael For President

Michael Silveira
5th Year Electrical Eng
Design Team President
Cuesef and KEFC Chair
Past Engfrosh Director

With past experience handling large budgets, complex team wide tasks and using a hands off approach, I have the experience and passion to ensure CSES provides as much as reasonable for students next year. With a small handful of courses left, I plan to dedicate my time to building sustainable frameworks to support the next generation of engineers to come through Carleton

**Check your emails to vote
between March 4th and 7th**

- Support Student Groups
- Expand and Enhance Offered Resources
- Manage Workload to Make Volunteer Positions More Sustainable
- Continue Building Relationships with Other Schools' ENGSOCS
