

Hi folks!

My name is Zach, and I am in fourth year Aero B. You may have noticed that I haven't been on campus much this past year, which I owe to my co-op in Mirabel. But this upcoming year I will be returning to campus and I am excited to be running for CSES VP External!

I have served as President, VP Finance, and VP Strategy and Support at EWB Carleton. I was also a PASS facilitator for first year statics and mechanics for 2 years. During this time, I learnt how to represent a community of people and hold our national organization accountable. I also gained some valuable experience running conferences and selecting candidates for international fellowships.

Check out my campaign on Instagram at [@zach_cses_vpx_campaign](#). Feel free to shoot me a message anytime! 😊

Cheers,
Zach
